Hello. I have a question.

This defendant's lawyer is asking for the following things: (Drug Certs No.: [REDACTED])

1. Protocols created for testing
2. Lab accreditation
3. Notes, forms and writings of testing.

I have never provided these before and I am wondering if these are things that are routinely provided or if the lab will provide them. I understand that Amherst is closed. Rebecca Pontes was the chemist.

Thanks!
